Proof of Enrollment Instructions

All students are required to submit proof of enrollment in a post-secondary academic program with their application.

All documents must clearly show your name and the name and address of the issuing school. These should match what is entered on your scholarship application. Minor differences are OK.

Accepted Documents

Any **one** of the following documents is considered acceptable proof of enrollment:

- A transcript or course list showing the courses you are enrolled in for dates that include **the fall semester 2024**. A transcript in .txt format is NOT acceptable. A transcript marked "Unofficial Transcript" will suffice from most institutions.
- A letter from your school student affairs or admissions office stating that you are enrolled as a student for a time period that includes **September 2024**. This letter must:
 - be on school letterhead;
 - display a school seal or logo; and
 - contain a signature and phone number or email address of a representative from the admissions office.
- Proof that you have accepted an offer to attend an eligible post-secondary academic program for a semester/grading period starting on or before **September 30, 2024**. You must include an acceptance offer letter and show proof that you have accepted the offer. The acceptance letter must:
 - be on school letterhead;
 - display a school seal or logo; and
 - contain a signature and phone number or email address of a representative from the admissions office.

Other proof that you are enrolled in a post-secondary academic program for the first semester/trimester of **2024**. There are many different types of forms that can show this, but the key is to be sure the proof has your name, school name, and a recent date on it. Examples include:

- A semester class schedule or syllabus for this time period;
- A receipt showing you paid for this time period;
- A letter showing your scholarship/financial aid etc. covers this time period.
